

## Vacation Club Account Agreement and Disclosure

**AGREEMENT** -- The following printed items will govern the operation of this account, unless clearly varied in writing or typing on this form or in a separate written agreement. "We," "our," or "us" means Commercial Bank & Trust of PA, "you" means the account holder(s). This agreement includes your promise to pay any charges incurred and your permission for us to deduct these charges, as earned, directly from the account balance as applicable. You also agree to pay any additional reasonable charges we may impose for services you request that are not contemplated by this agreement. Each of you agrees jointly and severally to be liable for any account deficit resulting from charges or overdrafts, whether caused by you or another authorized to withdraw from this account, together with the costs we incur to collect the deficit including, to the extent permitted by law, our reasonable attorneys' fees.

This agreement incorporates clearinghouse rules and state and federal law, except to the extent that this agreement can and does vary such rules of law.

**OWNERSHIP OF ACCOUNT** -- The following provisions explain the rules applicable to this account depending on the form of ownership specified. Only the portion corresponding to the form of ownership specified will apply.

Individual Account: Such an account is issued to one person who does not intend (merely by opening this account) to create any survivorship rights in any other person.

Joint Account With Survivorship: Such an account is issued in the name of two or more persons. Each of you intends that upon your death, the balance in the account (subject to any previous pledge to which we have consented) will belong to the survivor(s). If two or more of you survive, you will own the balance in the account as joint tenants with survivorship.

Joint Account With No Survivorship: Such an account is issued in the name of two or more persons, but none of you intend (merely by opening this account) to create any right of survivorship in any other person. We encourage you to agree and tell us in writing of the percentage of the deposit contributed by each of you. This information will not, however, affect the "number of signatures" necessary for withdrawal.

Totten Trust Account: If two or more of you create such an account, (also known as an "in trust for" or ITF account) you own the account jointly with survivorship. Beneficiaries acquire the right to withdraw only if (1) all persons creating the account die, and (2) the beneficiary is then living. If two beneficiaries are named and survive the death of all persons creating the account, such beneficiaries will own the account in equal shares, without right of survivorship. The person(s) creating either of these account types reserves the right to: (1) change beneficiaries; (2) change account types; and (3) withdraw all or part of the deposit at any time.

Corporate, Partnership and other Organizational Accounts: We reserve the right to require the governing body of the legal entity to give us a separate authorization telling us who is authorized to act on its behalf. We will honor such an authorization until we receive written notice of a change from the governing body

**ACCOUNT TRANSFER** -- This account may not be transferred or assigned without our written assent.

**AMENDMENTS AND TERMINATION** -- We may amend any term of this agreement at any time upon reasonable notice to you by posting notice of the changes in our offices, enclosing notice in a statement for this account, or mailing notice to you. We also may close this account at any time by giving notice and mailing the account balance to you. Notice from us to any one of you is notice to all of you.

**RATE INFORMATION** -- The interest rate on your account is .05% with an annual percentage yield of .05%. You will be paid this rate until maturity.

**COMPOUNDING AND CREDITING FREQUENCY** -- Interest will not be compounded. Interest will be credited to your account annually.

**EFFECT OF CLOSING AN ACCOUNT** -- If you close your account before interest is credited, you will not receive the accrued interest.

**MINIMUM BALANCE TO OPEN THE ACCOUNT** -- You must make a minimum deposit of at least \$1.00 to open this account.

**DAILY BALANCE COMPUTATION METHOD** -- We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

**ACCUAL OF INTEREST ON NON-CASH DEPOSITS** -- Interest begins to accrue no later than the business day we receive credit for the deposit of non-cash items (for example, checks).

**TRANSACTION LIMITATIONS**-- The minimum amount you can deposit is \$1.00. You may not make withdrawals of principal from your account before maturity. You cannot withdraw interest from your account before maturity. This account is not available for use at ATMs, through online banking, or Touch Tone Teller

**TIME REQUIREMENTS** -- Your account will mature twelve (12) months from the account opening date.

**COUPON BOOK**—You will be issued a coupon book. Payments can be made at any Commercial Bank & Trust of PA office. At maturity, you will be mailed a check for the balance in your account plus any accrued interest. This account is not automatically renewable. Once the check is issued the account will be considered closed and you must open a new account each year.

Effective: September 4, 2012
