Services

You authorize us to utilize another company to provide the services to you on your behalf. The application will constitute your authorization for us to make recurring payments or transfers via the services on your behalf

Only your accounts at Commercial Bank & Trust of PA may be used for the services. You may designate any of your Commercial Bank & Trust of PA personal checking accounts for the bill-payment service. The accounts you choose for bill payment are your designated accounts ("designated accounts"). You may make payments to any merchant that agrees to accept payments through the services. You also may choose to have transfers made between your Commercial Bank & Trust of PA accounts via the banking service.

You may make payments on your loan with us by transferring funds from your deposit account. You may NOT use this service to pay taxes, court-directed payments or other payments to government agencies.

Commercial Bank & Trust of PA reserves the right to refuse to make any payment and/or transfer, but will notify you of any such refusal to make a payment or transfer.

The bank may at any time in its sole discretion, and without penalty or liability, deny online services account access or place limits on the dollar amount of funds that may be withdrawn or transferred.

Transaction Limitations

Federal regulations place certain transaction limitations on some types of accounts you may have with us as listed below:

1. Money Market Investment or Savings Account - By federal regulation, transfers to another account with us or to third parties by pre-authorized, automatic transfer, telephone, computer, or by check, draft, debit card, or similar order are limited to six per statement period. Transactions conducted by ATM are unlimited.
2. ProsperityPlus Savings Account - By federal regulation, transfers to another account are limited to six per calendar month. None of those transactions may be made by check, draft or use of a debit card at merchant terminals or similar orders, and none may be made to third parties by telephone, pre-authorization or automatically. Transactions conducted by ATM are unlimited.
3. Money Market Investment, Savings and ProsperityPlus Savings Accounts may NOT be designated accounts for the bill-payment option due to the transaction limitations previously stated.
4. There is no limit on the frequency or dollar amount of transfers or bills you can pay to us or to third parties from your designated account(s).

Account Information

Account balances and other account information received through electronic services may not reflect recent transactions or pre-scheduled transactions and may include funds that are not available for immediate withdrawal.

Joint Accounts

When the services are linked to one or more accounts owned jointly, we may act on the instruction of any one owner.

Fees and Charges

Online Banking and mobile banking: FREE
(Commercial Bank & Trust of PA does not charge for the service, however, messaging and data rates from your carrier may apply)

Online Banking and mobile banking with Bill Payment (per statement cycle): FREE*

*The first 12 bill payments per month are included, \$0.50 will be charged for each additional Bill Payment. In the event we are unable to process a services transaction, through no fault of ours (if, for example, there are insufficient funds in your designated account), the transaction will result in a "failed payment and/or transfer." You agree to reimburse us the funds owed to us immediately upon our demand if payment has been made to one of your designated merchants for which funds were not available in your designated account and we are unable to recover the amounts of the payment by debit to the merchant or by charge to you.

New Services

We may, from time to time, introduce new services or enhance the existing services. We shall notify you of the existence of these new or enhanced services. By using these services when they become available, you agree to be bound by the obligations concerning these services, which will be sent to you.

Bill Pay Payments

The date designated by you in your payment instruction as the day you wish payment to be made is called the payment date. The service will suggest a payment date of either five business days or ten business days in advance of the date the payment is actually due, depending on whether the merchant accepts electronic payment. If you choose a payment date other than that suggested by the service and your payment is late, you will be liable for that portion of any late fees and other expenses incurred that are attributable to your payment choice.

You may schedule or modify a payment for the same business day no later than 3:00 p.m. Eastern Time. The payment date always must be a business day as defined previously. If it is not, the payment date will be the first business day after the date indicated.

Subject to the terms and conditions of this agreement, you authorize us and any third party acting on our behalf to choose the most effective method to process your payment, including, without limitation, electronic, paper or some other means.

Funds will arrive at your targeted merchant and/or account as close as reasonably possible to the date designated by you in your payment instructions. It is important that the payment is set to arrive on or before the merchant due date, not the late date. The date the merchant credits the payment depends upon the merchant's payment-processing procedures and Commercial Bank & Trust of PA will not be responsible for any delay in crediting the payment that is the result of the merchant's payment-processing procedures.

For each properly instructed payment to an eligible merchant to a targeted account, you will receive a transaction confirmation number ("confirmation number"). Each payment instruction or modification of a payment instruction will be assigned a unique confirmation number. For recurring payments initiated by a single instruction, the service will generate a unique confirmation number for each individual payment on the business day following the previous payment date for that particular payment. If you do not receive a confirmation number, you have not successfully initiated a payment and we will not process your payment instruction. The confirmation number will appear on the computer screen for Online Banking/Bill Payment.

If you follow the procedures described in this agreement for payments and are assessed a penalty or late charge by a merchant because your payment is late, we will reimburse you for your late charge to the extent required by applicable law. **However, if you did not receive a confirmation number or if you have been notified of our refusal or inability to make a payment, we shall not be liable for any failure to make a payment, including any finance charges or late fees incurred by you as a result.**

In the event that you do not adhere to the obligations set forth in this agreement or you schedule a payment in less than the number of business days before the due date required for a particular merchant, you will bear full responsibility for all penalties, late fees and damages and we will not be liable for any such charges.

Liability Limitations

Under no circumstances will we be liable if our authorized agent or we are unable to complete any payments and/or transfer initiated in the correct amount or in a timely manner via the services because of the existence of any one or more of the following circumstances:

1. You do not receive a confirmation number at the time you initiate a payment or modification of a payment.
2. If, through no fault of ours, your designated account does not contain sufficient funds to complete the payment and/or transfer or if the payment and/or transfer would cause you to exceed the credit limit on your designated account's overdraft protection line of credit.
3. The funds in your designated account are subject to legal process or other encumbrance restricting such payment or transfer.
4. You have closed your designated account.
5. Your subscription to the service has been terminated for any reason.
6. The services, your equipment, the software or any communications link is not working properly and you know or have been advised by us about the malfunction before you execute the transaction or, in the case of a recurring payment or transfer, at the time such payment or transfer should have occurred.
7. You have not provided us with the correct information for those merchants to whom you wish to direct payment or accounts to which you wish to make a transfer.
8. The merchant mishandles or delays crediting of any payments sent by us on your behalf.
9. Circumstances beyond our control (such as, but not limited to, fire, flood or interference from an outside source) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid these circumstances.

We are not responsible for any other loss, damage or injury caused by your equipment or software, the services or any technical or editorial errors contained in or omissions from any user guide related to the services. We shall not be responsible for any direct, indirect, special or consequential damage arising in any way out of the installation, use or maintenance of your equipment, software or the services, except where the law requires a different standard.

Transfer Cancellation or Modification

Except for those transfers that are completed immediately, you may cancel or modify via the services a single or recurring transfer up to 7 p.m. Eastern Time on the payment date. When a transfer is cancelled via the services, the confirmation number of that earlier instruction is displayed on the screen. You will not receive a new confirmation number for a cancellation.

When a transfer is modified, a new confirmation number is provided. A modification of a recurring transfer instruction will affect all future transfers associated with that transfer.

If you cancel a scheduled transfer before 7 p.m. Eastern Time on the payment date via the services and the transfer is processed, we will be liable for your losses or damages to the extent provided by applicable law.

Suspension

In the event of repetitive failed payments or transfers, we reserve the right to suspend your subscription to the services. This suspension may be without prior notice to you. In the event your subscription is suspended we will notify you by mail at your last listed address. All inquiries or correspondence relating thereto, including request for reinstatement, should be directed to Commercial Bank & Trust of PA.

All payments and/or transfers made via the services will be listed on your monthly account statement(s) that you receive from us.

3. If you wish to cancel your subscription to the services, you may do so by providing Commercial Bank & Trust of PA with 30 days advance notice in writing. You will be responsible for all payments and/or transfers you have requested prior to termination and for all other fees and charges incurred. **Since cancellation of your subscription to the services can take up to 30 days, you should cancel all outstanding payment and/or transfer orders within the 30-day notification period. We will not be liable for payments and/or transfers not cancelled or made due to the lack of proper notification by you of service termination.**
4. We reserve the right to change, alter or amend any term, condition or fee associated with the services at any time. We will provide written notice to you at your last listed address with us at least 21 days prior to the effective date of such change, alteration or amendment. If the change is made for security purposes, we can implement it without giving you prior notice. Your use of the services after the 21 days following transmittal of the notice of change, alteration or amendment constitutes your acceptance of such change, alteration or amendment.
5. When the services are linked to one or more accounts owned jointly, we may act on the instruction of any one owner.
6. No activity on your Online Banking account for a period of 180 days will result in the termination of the service.

We will disclose information about your account or the transactions you make to third parties:

Liability for Unauthorized Transactions

CONTACT US IMMEDIATELY if you believe your user identification number or password has been lost or stolen. Telephoning us is the best way to keep your losses to a minimum. You could lose all your money in the account (plus your maximum overdraft line of credit) if you take no action to notify us of the loss.
